**\*\*\* If you are accepted, you must provide a local phone number, cell or landline, where we can reach you in case of emergencies. In the past, we have been called by the police (late at night) to the festival grounds to secure unsecured tents in the wind. If there is no way to reach you, your tent will be dismantled and you WILL BE required to vacate the festival. Unsecured tents are a DANGER TO EVERYONE! \*\*\***

**Festival grounds are BLACKTOP so canopy weights are a MUST.  
All booths are 10'X10'.**
